Subject:	Get rid of MaxCDN as it's slow for TLS		
Description:	MaxCDN has been slow to start a TLS connection for a while now. As it's used in a very limited way it may be best to get rid of it. https://www.webpagetest.org/performance_optimization.php?test=180901_9W_b47f73a7e574d5711e08c7c6233b26df&run=1#cache_static_content
